Class Descriptions

30/30/30 Fitness

Instructor: Shelley

The first 30 minutes consists of total cardio, second 30 minutes will be strictly strength, with the last 30 minutes consisting of abs and toning exercises. These three elements will give you a total body workout from head to toe! Please feel free to join the class at any time!

Insanity Fitness

Instructor: Carrie

This workout is cardio centered that focus on two or more large muscle groups at a time. You will use your own body weight to maximize your strength. Your body will supply the resistance and weight.

P90x Live!

Instructors: Sommer & Carrie

P90X Live® is a total-body program that incorporates strength training, cardio, core work and flexibility. It uses the science of "muscle confusion" to challenge your body with new moves and routines. P90X® also uses some plyometric training that helps people beat their plateau by training their bodies with different workouts.

POWER MAXX – “MOVEMENT, ACTION, XTRA ENERGY, XTRA FUN”

Instructor: Michelle

This high intensity workout using the boot camp style aerobics or step, weights, bands, balls, and mat.

S.O.S – “Sweat Off Stress”

Instructor: Michelle

This class is a low impact cardio and toning class. It is great for beginners but can also accommodate advanced “sweaters”. Participants from all levels of fitness are invited to try this class.
